Helping people hear God's call

CATENIANS

Dear friends,

I just wanted to write to you to keep you updated on some of the work that we are doing here in the National Office for Vocation, enabled by your ongoing support and generosity.

James and I have just returned from the Youth 2000 summer festival at Ampleforth where we were able to make ourselves available to 500 young people and families. We located our National Office for Vocation gazebo near the main hall, where there were talks, small groups, liturgies and 24 hour adoration of the Blessed Sacrament. We also ran a discipleship workshop - it was so well attended that the classroom didn't have enough seats! Imagine, people sitting on the floor seeking how best to follow God's call and serve him in the Church. We had many profound conversations with young people who came to our Vocation Cafe, and thank God for the wonderful experience of spending time with so many dedicated young Catholics.

We now turn our minds to the upcoming Youth meeting in Poland in October, and preparations for the World Youth Day in Lisbon next year. Please keep us in your prayers as we seek to respond as best we can to the call of the Holy Spirit as we build and promote a culture of vocation in England & Wales.

Yours faithfully,

Sr Elaine Penrice (Director fo NOV)
